Garrynase, Miss., April 7.- From the reports received the crevasse at sidewalks into the following stores: rmiture establishment. A

rve the ridge situated between Washton and Central avenues from being days be the only available piece of and where the many horses, minles, cat-, could be congregated and kept | difficult for the mind to grasp in all its | a succession of two mild winters. Sunflower lowlands ld object is seen floating down the Phalia swamps. ffects that can be transported are now reing hurried to the front by those who

have not taken precautionary steps. The levee there, we are informed, presents to a person with kindly feeling and ober thoughts a terrible sight, which must grow greater in the future, if sub- growing out of the manufacture and posed duty on hides. stantial aid and speedy relief do not sale of illigit whisky. The United States In the iron business it is now admirthem but little protection from the howi- the people who are thought to have are generally favorable. New Orleans ing winds. For shelter they have nothing but the canopy of heaven and the Eph Cooper was shot by an unknown injury by overflow, but the actual interght dews in pity must weep as they fall. If no assistance comes to these people many will die from exposure, nod will soon be needed, and if not prorided great suffering will be the conse-

The government officers have done a great deal of good in that section, but as there are other localities which are now showing signs of distress, their means Capt. Hider left yesterday from Skip-

with with two barges to help Capt. Tolnger to get out the people and stock at Cattish Point, where assistance is badly needed. In the vicinity of Winterville a great many cattle are dying from a disease called hollow horn. At Mound Landing, seven miles below Catfish Point, the river fell two feet yesterday, to doubt owing to the large break water in a vertical way that has rarely been witnessed at any break of its nature. The Lake Washington country, its highest point, is rapidly out of sight, a thing which has not been known since

SWEPT THE PENINSULA. One Hundred Hunses Washed Away by

the Break-Planters Badly Cripped. soon as news of the break at Catfish l'oint reached here the government steamers Speed and Graham took several barges to that point and brought away lot of stock, etc. Capt. Tollinger, of the vernment service, is on the ground. oing everything he can to save life and property. Those who wish to come will be brought here by the government boots and quarters provided for them. People who visited the scene of the isaster state that the torrent coming out of the opening has about spent its force. Although this is much the largest break that has yet occurred on the lississippi side, the territory that will be affected by it will be comparatively small. Outside of the Cathish point peninsula the water from this crevasse not already inundated by the crevasses at Mound, Huntington and Offutt's, but the destruction of property in this little peninsula is fearful.

tions around Cattish Point are almost nuned. It is estumated that over a hunlred houses have been washed away, planting seed left. The planters will be so badly crippled that they will meet with considerable difficulty in making a crop even if the water recedes in time The flood has left almost nothing. The whole bend was filled with water as high as that in the river within a new hours after the treak occurred. Saturday the lack water broke through the levee at Entaw landing, in the lower end of the bend, and it is now running back into the river. It is thought that sev-

Rallroad Tracks Washed Oul. water in Deer creek has risen four feet in the last thirty-cix hours, and is now running over its lanks on the east side, and is still runng at the rate of half an inch an hour. Every foot of dry land in Rolling Fork will be under water be-

One Handred Feel Under Water, DALLAS, Tex., April 7 .- The Trinity river, like all others, is overflowing its erefrom by the drowning of stock. A dam broke at the unfinished city water works above the city last night, and now works above the city last night, and now woll incorred the new \$30,000 pumping engine is one handred feet under water. The unfin-

THE CHICAGO, ROCK ISLAND & PACIFIC RAILWAY Missouri River. To all points East, North and Northwest from Kansas City—to Rock Island Davenport, Des Moines, Chicago, and, via ALBERT LEA ROUTE, to Spirit Lake, Pipestone, Worthington, Sioux Falls, Watertown, Minneapolis, St. Paul, and intervening towns and cities—it is the short, direct route. In connection with lines from St. Louis, Cincinnati, Louisville, Nashville, and Eastern and Scuthern points converging at Kansas City, it also constitutes

THE SHORT LINE TO DENVER AND THE WEST, FROM

THE MISSOURI RIVER.

It traverses vast areas of the richest farming and grazing lafids in the world, forming the speediest, most popular and economical system of transportation to and from all cities, towns and sections in Kansas, Colorado and the Indian Territory. FREE Reclining Chair Cars between Kansas City and Caldwell, Hutchinson and Dodge City, and Pullman Palace Sleeping Cars to and from Wichita and Hutchinson. MACNIFICENT VESTIBULE EXPRESS TRAINS, Leading all competitors in splendor of equipment, cool in summer, warmed by steam from the locomotive in winter, well vontileted and free from dust —leave Kansas City and St. Joseph daily, on arrival of trains from the East and Southeast, with elegant Day Coaches, Pullman Palace Sleepers and FREE Reclining Chair Cars, RUNNING THROUGH WITHOUT CHANGE to Denver, Colorado Springs and Pueblo, making stops only at important intervening stations in Kansas and Colorado. Superb Dining Hotels at convenient stations west of Kansas City and St. Joseph furnish delicious meals at seasonable hours and at moderato prices.

THE ROCK ISLAND IS THE FAVORITE TOURIST LINE To Manitou, Pike's Peak, the Garden of the Gods, Cascade, Green Mountain Falls, Idaho Springs, the mountain parks, mining camps and clues, sanitary resorts, hunting and fishing grounds, and scenic attractions of Colorado. Its Vestibule Express Trains are equipped with every modern improvement that can add to safety, convenience, comfort and luxurious enjoyment. They also make close connections at terminal cities in Colorado in Union Depots with the Denver and Rio Grande, Colorado Midland, Union Pacific, Denver Texas and Fort Worth, and all other diverging lines.
